Dear Butler Collaborative for Families Members:

We are excited to announce that the Butler Collaborative for Families (BCF) has once again partnered with the Butler County Chamber of Commerce to enhance opportunities for members of both organizations. Through this partnership, one BCF member will be selected to receive a scholarship toward participation in the 2026–2027 Leadership Butler County program.

The total tuition for Leadership Butler County is \$2,500. The Butler County Chamber of Commerce is contributing \$1,250 toward the tuition, and the BCF is contributing an additional \$625. This partnership allows one BCF member to participate in the program for only \$625.

Participating in Leadership Butler County offers class members a valuable professional development experience that has positively impacted our community for more than 25 years. Each year, a diverse group of participants from the private, public, and nonprofit sectors come together to learn, network, and give back to Butler County. The Leadership Butler County program focuses on improving the quality of life throughout our community, and its mission aligns closely with that of the BCF. We are pleased to offer this opportunity to our members once again.

If you are interested in being considered for this scholarship, please complete the following steps:

1. Submit a cover letter to the Butler Collaborative for Families Scholarship Committee explaining how your participation in Leadership Butler County will positively impact the BCF mission.
2. Complete the Leadership Butler County application.
3. Submit your cover letter and completed application by June 19, 2026, to the BCF Coordinator at bcfcoordinator@gmail.com.

The BCF Scholarship Committee will review all completed submissions following the June 19 deadline and announce the scholarship recipient at the Celebration of Collaboration on July 9, 2026.

Thank you to the Butler County Chamber of Commerce for its continued partnership, and best wishes to all scholarship applicants.

Sincerely,

Butler Collaborative for Families Executive Committee
